Hi Jane,

Please disregard my last mail. Upon further reflection, I'm going to decline signing the patent application. You can remove my name from them.

Hi Chris. Attached are the two (sorry, I said three on the phone) patent applications on which you were listed as an inventor. If you could provide me with your mailing address and your citizenship I can complete this information on the formal papers prior to your signing. I am not sure if you've been on applications w/Microsoft before, but a VERY brief description of the formal papers: Each application has two papers to be signed, The Assignment and The Declaration. Essentially (although you will still read prior to signing) The Assignment assigns your invention to Microsoft, while The Declaration declares you as an inventor.

Please let me know what times will work for you. I can leave the papers with our receptionist if I am not here. Let me know if you have any questions.
